Anniversary gathering of SALEM friends in Lindenhof SALEM guesthouse: 29th March to 1st April 2012

"Coming back to SALEM is always like coming home for me. What started as a series of conferences to discuss Thom Hartmann's book 'The Prophet's Way' has become an annual gathering of SALEM friends old and new around Herr Müller's birthday. Why do we do it? Because we have learned the importance of re-connecting – to the SALEM spirit and to each other. This strengthens us spiritually and physically and empowers each one of us to return to our lives with renewed focus, feeling supported and nourished.

It is also a chance to take time to walk in the beautiful forest, to eat wonderful SALEM food and to share music and poetry around the fire. New SALEM ventures are sometimes born there and it is one of the most important dates in my calendar. I'm looking forward to next year already!" *(Pamela from Scotland)*

Highlights 2012

Teaching with Thom Hartmann

Gottfried Müller was interested in „the Name of G-d“ all his life. Nobody knows how to pronounce it, and doing so correctly is said to bring great spiritual benefits. Because it involves sound and exercise that can't be written. It has to be „told/taught“ in person. Thom Hartmann will share some of his insights and experiences with us.

Herb Walk

Take some time to reconnect to the plants around you in this very special place. Come on a herb walk with herbalists Pamela and Inge and learn what common weeds can be used to transform your health and help you on your journey. Hear how Pamela and Inge use the plants to help empower people to enjoy the best health possible. Duration: 1hr *(There will be the possibility to taste a herbal tea together at the end of the walk.)*

We would like to invite you to join us for our anniversary gathering!
