## Project sponsorship SALEM-Uganda

WELL-DIRECTED AND LONG-TERM SUPPORT

than great deeds planned”*

## PLEASE SUPPORT THE CHILDREN OF SALEM-UGANDA

As there is no government social welfare scheme in Uganda to help children in need of care and support, SALEM-Uganda enables children and young people to regain their physical and emotional health and reunites them with their families and relatives wherever possible, bringing hope and happiness back into troubled lives. This is done by various methods:

- Residential care when there is no one else to care for a child or when a place of safety is needed (e. g. in cases of violence within the family)
- Access to primary and secondary education and to vocational training
- Help for children with disabilities in our local community and for the most poor and needy in the sub county of Nakaloke

At any one time, up to 30 children and 10 babies are being cared for within SALEM. Many are resettled back in their own communities in line with Ugandan government policy which limits the time a child spends in residential care to no more than three years where possible. These are children who have been orphaned, abandoned or abused or whose parents are unable to care for them.

You can support the work of the SALEM Children's home most effectively in taking over a project sponsorship. This enables a long-term and professional care and support of the children.

For the sponsoring of one pupil for one month about 30 Euros (about 45 US-\$ or 27 £) are needed, for vocational training of a youth about 40 Euros (about 60 US-\$ or 36 £).

## PROJECT SPONSORSHIP - WHAT DOES THIS MEAN?

SALEM does not offer sponsorships for individual children. This is to avoid the situation where some children have sponsors while others may not. Donations do not just benefit one individual child but are used for the development of the project as a whole.

Moreover a project sponsorship reduces administrative work and costs. Should you, however, wish a personal sponsorship, this is also possible, i. e. you can pay for the school fees of an individual child.

As a sponsor you will get quarterly reports, including photos, directly from the project or from “your” child. In order to keep administrative costs to a minimum, we would ask you to place a standing order – monthly or quarterly from your bank account. Of course you can withdraw this any time.

Yes, I would like to support SALEM-Uganda with a sponsorship.
